

Preferred Provider Network Directory

Your employer has selected the Beacon Mutual Insurance Company as your workers' compensation carrier. Beacon Mutual has an approved Preferred Provider Network comprised of physicians and other health care providers who are experienced in the care and treatment of work related injuries.

This directory contains the participating providers, which are listed by specialty and location to help you find a physician or health care provider. You may also call 401.825.2667 and speak with your Beacon claim representative if you would like assistance choosing a physician or health care provider that is best suited to treat your work-related injury.

The Workers' Compensation Act contains certain guidelines for those employers with an approved participating provider network. You should check with your Beacon Mutual claim representative prior to making any change in physician.

The information in this directory is subject to change. Visit www.beaconmutual.com and review the most up-to-date version of this document or contact your Beacon Mutual claim representative for confirmation of your provider's participation in the network prior to receiving treatment.
